

Travel Planning Tips & Resources

Best Site for Booking Flights

When it comes to searching for the best flights and finding deals my go to is always [Skyscanner](#).

Finding Accommodations

I am a big fan of [Booking.com](#). I am able to find any type of accommodations for affordable prices.

Car Rentals

[Discover cars](#) is incredible because you can find, compare and rent cars all over the world.

Best Tour Companies

Exploring new cities is my favorite way to learn and experience new cultures. [Viator](#) and [Get Your Guide](#) offer thoughtfully curates tours and bucket list experiences.

Airport Lounge

Arriving early to the airport was never a do to for me, until I discovered airport lounges. With [Priority Pass](#), you have access to lounges worldwide plus I love the option to relax and enjoy a pre-flight snacks and drinks.
